- Removable mesh top for optimal air ventilation.
- Sliding/Swing doors make for easy access to feed and interact with your pet.
- Electrical Cable access hole on side panel (in necessary models)

### **Available in seven sizes :**

*(please note that the door style varies for some sizes)*

30cm (w) x 30cm (d) x 20cm (h) – Screen Top Opening

50cm (w) 30cm (d) x 30cm (h)- Sliding Door Opening

60cm (w) x 45cm (d) x 45cm (h)- Swing Door Opening

45cm (w) x 45cm (d) x 60cm (h) - Swing Door Opening (Tall Frog Tank)

90cm (w) 45cm (d) x 45cm (h) – Sliding Door Opening

120cm (w) x 45cm (d) x 45cm (h) – Sliding Door Opening

120cm (w) x 60cm (d) x 120cm (h)- Sliding Door Opening

The transparent design of the Terrarium offers full visibility, allowing you to closely monitor your reptile's behaviour, health and habitat. Whether you have a small gecko or a larger snake, this terrarium provides ample space for your pet to explore, bask and hide as they would in their natural environment. With its sleek and modern design, the Viper Reptile Terrarium seamlessly blends into any home or office decor.

Designed with both you and your reptile in mind, the Terrarium features convenient access points for feeding, cleaning and maintenance. The top-opening lid allows for easy access to the interior of the terrarium, making it simple to add or remove decorations, substrate, or accessories as needed. Additionally, the secure locking mechanism ensures that your reptile remains safely contained within the enclosure at all times, providing you with peace of mind. Whether you're a seasoned reptile enthusiast or a first-time owner, the Reptile Glass Terrarium offers a reliable and stylish housing solution for your reptile companion.
